

BIO 183 Group Pathogen Review Paper – 1st Draft – a Complete paper
Grading Rubric for the Final Review Paper
15 points possible

Group Members (Full names):

Points to consider in grading the submitted complete first draft: (not graded in fine detail so improvements may still be needed before the final paper is due the last week of labs)

- Are all parts of the paper present and complete?
- Proper formatting, spelling, grammar, written in consistent voice/tense
- Proper use of citations, 4 Primary References minimum (even if just 2 or 3 people in group, 5 needed for 5 member groups...), additional primary and/or secondary references are fine.
- Proper format for Reference section at the end (see lab website for help)
- Papers should have a title with all group member names and section #.

General Structure	Main Components	Points earned, see expanded comments on the paper.
Abstract (1 pts)	<ul style="list-style-type: none"> ○ Write this last. ○ A summary of the problem being addressed and the studies you examine in your review. 	
Introduction (3 pts)	<ul style="list-style-type: none"> ○ Introduce your topic. Outline what you will discuss throughout the review ○ Frame the paper with your topic of interest. ○ Tell your audience why it is important that you reviewed the literature in your topic area (you may include some background information and justification for your choice) 	
Body* (8 pts).	#1 - Describe pathogen history, anatomy, and mode of action, host and how it is affected by the pathogen. 3 pts	
	#2 - Describe pathogen anatomy and physiology and how it affects the host cells/tissues.... 2 pts	
	Discuss at least 4 Primary research studies in your paper – these may/may not have been presented in #1 and #2 above or can be presented after this background). 3 pts	

Discussion/Conclusion (2 pts)	<ul style="list-style-type: none"> ○ Restate your key points. ○ Wrap up your review by drawing everything together, while making your conclusions clear, logical, and based on the research studies you presented. 	
References (1 pts)	This paper is all about the references! Correctly cite everything that you discuss.
